Item	Cost	Intended impact on pupils' PE and sport participation and attainment	Impact
Specialist Sports Coach	£8750 (Pro Rata)	<p>Objective: To develop staff confidence, knowledge and skills through team teaching and assessment. To provide one after school club session per week; focused practise of a chosen sport for future competition.</p> <p>Class teachers, to be more confident in planning, delivering and assessing their pupils' attainment. Teaching pupils in team-teach and independent capacities, with a specialist PE coach.</p> <p>Pupils have access to a variety of competitions and extra-curricular activities. Pupils therefore participate and compete in sports that they wouldn't normally play.</p>	<p>The PE curriculum has been developed with bespoke planning designed to ensure the progression of skills throughout the school. Pupils have taken part in quality PE lessons in school and engaged with an after school club provided by the sports coach.</p> <p>Staff confidence, knowledge and skills have improved.</p> <p>Moving forward To employ a Sports and learning Coach full time rather than go through TBS Sports. To use the sports coach to develop an after school programme to enable the children engage in a wider range of extra-curricular clubs.</p>
LSSP Competitions	£1000	<p>Objective: children to have an opportunity to entre competitions in a range of different sports and events.</p> <p>A range of competitions offered to the children, giving the opportunity for more pupils to take part in competitions more frequently both individually and as a team. Pupils to show an improved attitude towards each other through the focus of sportsmanship, respect and attitude. To enhance all pupils' experience of sport across the school week and improve behaviour for learning in class to earn their place in the session.</p>	<p>The competitions had a small uptake this year. Although the children enjoyed the sessions, competitions can be arranged directly with other schools via the sports coach rather than buying in an additional service.</p> <p>Moving forward The sports coach will develop a wide and varied extra-curricular programme next year including competitions.</p>

Swimming	£1,780	<p>Objective: Swimming sessions for Years 3 to 6.</p> <p>All children participate in swimming lessons. Many of our children have not been swimming before. These sessions allow our children to develop in confidence and stay safe in water.</p>	<p>All children in Years 3 to 6 took part in swimming sessions. None of the children were required to take the Year 6 top up sessions because they were all able to meet the minimum standard of 25metres.</p> <p>Moving forward To engage in the swimming programme again next year. We will look at moving to the Everton swimming baths rather than Wavertree, which is much closer to school.</p>
Go bike go	£1,000	<p>Objective: British Cycling: Go Bike Go initiative developing physical skills and concentration in EYFS and Go Bike initiative for developing higher level bike riding skills and road safety</p>	<p>Children in Years 5 and EYFS took part in the Go Bike Go imitative. All children in Year 5 developed their riding skills and road safety. EYFS children developed their gross motor and balance skills.</p> <p>Moving forward To engage in the programme again next year for Year 5 and EYFS.</p>
